

Overview

WELCOME to the G-Squared Junior Camp!

Goal: To give God glory while having fun and learning the game of basketball.

Dates: Each athlete will have camp once per week on Mondays from 5:00-5:45pm. Practices will be held at Star of Bethlehem School in New Berlin on Mondays, April 16, 23, and 30.

Format: Each camp will consist of a short devotion, opportunities to learn knowledge about the game, drills to increase skills, and games to practice these skills all while having fun while learning the game of basketball.

Please notice that this is much different from the format of the G-Squared League in which there were teams that played actual basketball games against each other. This is G-Squared Camp and will have a purposeful “camp” style format with an emphasis on skill development through drills and fun games.

Attire: Each athlete needs to change into a pair of gym shoes that are only worn indoors when they arrive to the camp. Each athlete will be given a shirt at the first camp and is asked to wear it to each practice. Please do not bring basketballs to the camp as they will be provided.

Absences: If your athlete can't make a practice for any reason, that is just fine. They are certainly welcomed to come to the next date of the camp.

Cancellations: If for any reason practices or games need to be canceled (ie weather), an email will be sent to the address given at registration.
